Our mission statement:

A quality education enabling all children to achieve their highest standards in a happy, healthy, secure and stimulating environment

Dear Parents,

As I write to you we have $25\frac{1}{2}$ days before the end of the school year but we have so much to get through.

Fantastic news! We have had final approval for our own school kitchen; work will begin during the autumn half term (September onwards) and we will be ready to make our own hot meals from January. We are really excited about this because we will be able to guarantee consistently good quality hot meals.

Many of you will have noticed how much is going on around the site at present with ground work and maintenance. We also will be having line markings put onto Key Stage 1 playground. All this is creating a fantastic outdoor learning environment for our children.

Assessment week in Year 3, 4 and 5

Next week is optional SATs week for Years 3, 4 and 5. Over the year we have been observing lessons, looking at children's work and their progress and we are proud of what the children have achieved. However, next week is very important in seeing how much progress the children have made and what they can do independently. The children will all be doing maths, reading, writing and spelling. If your child is not well please call the office and inform us.

We Need You!

We are hoping to raise lots of funds for playground equipment at the Summer Fayre on Friday 26th June and to do this we desperately need your support.

How can you help?

- Do you have links to people/companies who would be able to donate raffle prizes?
- Can you make other contribution to the Summer Fayre?
- Can you offer 'hands on' help setting up and tidying up?
- Are you free to 'man' the stalls?

No clubs on Thursday 18th June due to whole school staff meeting.

Please let us know how you can help; all your help is appreciated. More information about the Fayre will be sent soon.

We are planning an Open Days on 1st and 2nd July; put the date in your diary. More details soon.

Sadly during our Disraeli's Got Talent evening a child's phone was stolen. If you know anything at all about this please let me know. Please give a thought for the child who lost this phone; it was a treasured birthday present.
