

# The Disraeli School and Children Centre

Week beginning 1<sup>st</sup> March 2010

Dear Parents,

I would like to start by sharing with you that our School Improvement Adviser was in school just before half term and he was so impressed with our children; he went and observed lessons in 8 classrooms and all the children were focussed, hardworking, polite and happy!

Children spend a huge amount of time in school so if your child shares anything with you that is causing them concern please pick up the phone as usually worries don't go away they seem to grow and affect childrens happiness and learning. I am at my desk each morning from 7.30 and each and every child's wellbeing is very important to all of us.
