

The Disraeli School and Children Centre

Summer 2010

Week beginning 3rd May 2010

Dear Parents,

Many of you feel that we would benefit from a pedestrian crossing along The Pastures. To be considered for this we need information showing how many people cross The Pastures during a whole day. We would like to do this survey on **Thursday 13th May**. I have asked for parents in previous Newsletters to support this by signing up and giving 30 minutes of their time during the day to help. To date, only one parent has offered their time. Without parents' support, we will be unable to carry out this survey. Please contact the school office if you can help.
