

# The Disraeli School and Children Centre

Week beginning 22nd February 2010

Dear Parents,

Firstly it was fantastic to see so many of you at lunch today. The children have had a really enriching week - the work produced in their books as well as the cooking, discussions and singing have been of exceptionally high quality.

I ask for your support yet again. I have had a number of school neighbours coming into school complaining that not only can they not access their garages but they have had parents being abusive. I really do appreciate how difficult it is for parents who have no option but to drive but please remember the school does not have permission for parents to park on the slip roads around the school. Please support us by using the Pastures Church car park. We will walk your children to school from the car park for you.

Wishing you a restful half term and see you on February 22, breakfast is open as usual at 7.40am.
