

The Disraeli School and Children Centre

Week beginning 22nd March 2010

Dear Parents,

All at Disraeli are committed to ensuring all our children are happy and safe at school, if your child does come home worried or upset please pick up the phone - we are here to help. Little worries just grow and then impact learning, friendship and sleep! Almost all of our children almost all of the time are keen, motivated, well behaved and eager to learn but like in all families we do have the occasional falling out!

I look forward to seeing you at parents evenings next week - if the dates are not convenient speak to the teacher and we will try and accommodate you - the children have been doing assessments the last two weeks - come and see how well your child is doing and how much progress they have made. Working together all our children will reach their potential.
