

The Disraeli School and Children Centre

Week beginning 28th September 2009

Dear Parents,

Can I start by saying a huge thank you to Mr Batson who has very kindly donated soil for us for our new planters on KS1 playground. We are really grateful and now look forward to start growing our fruit and vegetable crop.

As many of you know clubs started this week. It is absolutely fantastic that we have over 400 children doing clubs almost every session after school. To ease congestion from Monday all KS1 children will be dismissed from their playground and KS2 children from KS2.

Finally, can I please remind you the school cannot be held responsible for any valuables your child brings into school unless they are handed over to a member of staff for safe keeping.

Thank you for your continued support.
