

The Disraeli School and Children Centre

Week beginning 29th March 2010

Dear Parents,

It was good to see so many of you this week at the parent/teacher meetings. Many of you shared how pleased you were with the progress your child is making. Please remember we are always looking at the ways the school can improve the service it gives to our children and parents. All feedback is listened to and where relevant acted upon. On this subject we will be sending out a parents questionnaire after the Easter holidays, I really would urge you to take time and fill it out honestly. We need your help and support to improve further.

A number of parents have asked if we would consider booking another trip to Littlehampton during the summer term. If you are interested please could you fill in the slip below and we can look into costings and possible dates during the holidays.

Letters Sent Home This Week

- Club letters, Key Stage 1 and Key Stage 2
